The Residents of Stanhope Parish

Following the recent storm on 26th November 2021 Stanhope Parish Councillors would like to thank all the residents who helped one another under such dreadful conditions.

None of us have ever seen such damage done to the telephone lines and the electricity supply poles.

The linesmen worked extremely hard to restore the power which was a massive job.

Lets hope we never see such damage again.

Looking forward the Parish Council will be working with the Civil Contingency Unit to establish an Emergency Plan.

Susan Anderson
Clerk to Stanhope Parish Council
